

Hulse Orthodontics is pleased to support a variety of educational and community organizations through sponsorship advertising. To submit an advertising request, please complete the bottom section of this form and e-mail it to prc@hulseorthodontics.com.

PLEASE ALLOW 2 WEEKS FOR A RESPONSE

GUIDELINES:

1. All requests require a completed application (below).
2. Due to the overwhelming sponsorship and advertising requests we receive, first priority will be given to patients who are currently in orthodontic treatment
3. While we are pleased to sponsor your organization, we ask for your understanding that it is not possible to approve all requests which are received. As with any business, we have an advertising budget that dictates how much we can annually spend.
